

*Subaward* means an award of financial assistance in the form of money, or property in lieu of money, made under an award by a recipient to an eligible subrecipient or by a subrecipient to a lower tier subrecipient. The term includes financial assistance when provided by any legal agreement, even if the agreement is called a contract, but does not include procurement of goods and services nor does it include any form of assistance which is excluded from the definition of “award” in this section.

*Subrecipient* means the legal entity to which a subaward is made and which is accountable to the recipient for the use of the funds provided. The term may include foreign or international organizations (such as agencies of the United Nations) at the discretion of the Federal awarding agency.

*Supplies* means all personal property excluding equipment, intangible property, and debt instruments as defined in this section, and inventions of a contractor conceived or first actually reduced to practice in the performance of work under a funding agreement (“subject inventions”), as defined in 37 CFR part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts, and Cooperative Agreements.”

*Suspension* means an action by SSA that temporarily withdraws Federal sponsorship under an award, pending corrective action by the recipient or pending a decision to terminate the award by SSA. Suspension of an award is a separate action from suspension under Federal agency regulations implementing Executive Orders 12549 and 12689, “Debarment and Suspension.”

*Termination* means the cancellation of Federal sponsorship, in whole or in part, under an agreement at any time prior to the date of completion.

*Third party in-kind contributions* mean the value of non-cash contributions provided by non-Federal third parties. Third party in-kind contributions may be in the form of real property, equipment, supplies and other expendable property, and the value of goods and services directly benefiting and specifically identifiable to the project or program.

*Unliquidated obligations*, for financial reports prepared on a cash basis, means the amount of obligations incurred by the recipient that have not been paid. For reports prepared on an accrued expenditure basis, they represent the amount of obligations incurred by the recipient for which an outlay has not been recorded.

*Unobligated balance* means the portion of the funds authorized by SSA that has not been obligated by the recipient and is determined by deducting the cumulative obligations from the cumulative funds authorized.

*Unrecovered indirect cost* means the difference between the amount awarded and the amount that could have been awarded under the recipient’s approved negotiated indirect cost rate.

*Working capital advance* means a procedure in which funds are advanced to the recipient to cover its estimated disbursement needs for a given initial period.

### § 435.3 Effect on other issuances.

For awards subject to this part, the requirements of this part apply, rather than the administrative requirements of other codified program regulations, program manuals, handbooks and other nonregulatory materials, except to the extent they are required by statute, or authorized in accordance with the deviations provision in § 435.4.

### § 435.4 Deviations.

The Office of Management and Budget (OMB) may grant exceptions for classes of grants or recipients subject to the requirements of this part when exceptions are not prohibited by statute. However, in the interest of maximum uniformity, exceptions from the requirements of this part will be permitted only in unusual circumstances. SSA may apply more restrictive requirements to a class of recipients when approved by OMB. SSA may apply less restrictive requirements when awarding small awards, except for those requirements that are statutory. SSA may also make exceptions on a case-by-case basis.
